Hi Moises,

I just wanted to share the following information with you, just as an update. We have a project to expand and beautify the Hoover Plaza to make it contiguous like the Normandie Plaza. The BLQ BID is the applicant for our revocable permit as the BID is assuming maintenance responsibility. Thus, Leonardo is the applicant on the permit, he agreed to this several years ago. I wanted you to know in case he asks about it.

Please let me know if you have any questions.

Thank you,

monica

Good morning, I just wanted to inform both of you that both permits have been applied for, and now we are just awaiting the issuance of the permits by the Bureau of Engineering.

I applied for the permits on behalf of the BLQ BID, using Leonardo Magana as the applicant contact. If you wish to check on the status of the permits, the following information is necessary.

Go to this website:

Revocable Permit reference #2018000062 <tel:(201)%20800-0062>

If for some reason, you are contacted by the Bureau of Engineering regarding the permit applications, and don't quite understand what they need, please contact me directly. My contact information is below. Feel free to reach out to me with any questions.

Thank you,
